

# Parent Agreement

Coeur d’Alene Soccer Club is a competitive nonprofit Club supported solely through player fees and Club fundraising events. For this Club to be successful it requires the efforts and dedication of players and parents.

I am aware of the financial obligations associated with having a player on a team:

- ◇ *Registration fees, Fall & Spring*
- ◇ *Uniforms*
- ◇ *Tournament fees*
- ◇ *Travel expenses*
- ◇ *Fundraising events*
- ◇ *Head Coaches Expenses for Tournaments*

- Every player playing in the club, must have a parent and/or guardian who can volunteer their time. I am aware of the importance and requirements of Club/team volunteering and fundraising.

◇ *Team volunteer positions(including but not limited to):*

- \* Team Manager
- \* Team Parent Representative to the Board
- \* Tournament Representative
- \* Fundraising Representative
- \* Public Relations Representative
- \* Referee Representative
- \* Field Representative

**Please note:** All parents are required to volunteer for the Hot Shot Tournament—each team is given an assignment

◇ *Fundraising events: Every family helps in some capacity.*

- \* Hot Shot Tournament (end of May) various positions.
- \* Raffles and other Fundraisers – I understand if fundraising (including but not limited to the annual raffle) is not completed by the timeline established, that my child will not play in the Hot Shot tournament.

I am responsible for all fees and agree to volunteer.

I agree to pay Club fees and to participate in all fundraising events --- I understand that failure to do any of the above will result in my child not being able to play in any of the Hot Shot games. Unpaid fees by the deadline, will result in my child not being able to participate in future games until such fees are paid.
